

Welcome to Pass The Box™!

The ultimate party game to break the ice and get the party started!

Planning and hosting an amazing party is no easy task.

Pass The Box™ helps to add a dynamic element to your party that gets people talking and connecting all in an effort to win an amazing party gift curated by the host...AKA you! Place a bottle of wine, gift cards, cold hard cash, a beautiful ornament, or a gag gift into a box or gift bag of your choice!

Download this PDF onto your computer or phone

Print out the cards using your printer. The cards are black and white so no need for a color printer. Want a color version?
Color cards are available at www.passthebox.com

Cut the cards using scissors or a paper trimmer to save time

Bring out a gift box or gift bag. Place an amazing gift inside. You can wrap the box in festive paper and a ribbon!

Fold the cards up and tape closed with scotch tape rolled. Attach a second piece of tape to the back of the cards then attach to the gift box or bag

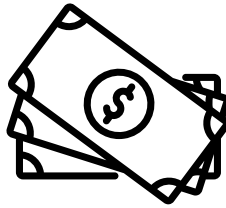

Play! Get the game started as the host reading the first card or start with the youngest or oldest guest. Have the cocktails and/or mocktails flowing and let the laughs and memories flow as guests connect and laugh!
